FIRST BAPTIST CHURCH

Next Sunday will be Missionary Sunday in the Baptist Church. The preacher for the occasion will be the Rev. Jas. Bracken, of Ponoka. Mr. Bracken was pastor of Huguenot Baptist church, Hamilton, Ont., before coming West about a year ago. He is an able preacher and will no doubt be greeted by large congregations. A meeting of boys is being called for Thursday evening of this week for the purpose of organizing a Boy Scout troop. Some of the work of scouting will be taken up immediately and affiliation with the organization throughout the empire will be sought. All boys interested will be welcomed.

ROYAL LILLIPUTIAN OPERA CO.

What should be one of the most impressive theatrical treats of the season is the Royal Lilliputian Opera Co., who are now on a tour of the world and will be seen at The Angus Theatre Monday and Tuesday, June 12 and 13. Many of our citizens will remember the famous Polka Opera Co. and the excellent productions which were offered by those clever little youngsters. In the Royal Lilliputian Opera Co., much could be said. These clever children, being inspired by the successful American tour of the Pollards, are a collective aggregation of Australian children imbued with rare talent, and those who are fortunate enough to hear them will be more than repaid.

CORONATION DAY CELEBRATION

Thursday, June 22nd, 1911, has been appointed for the Coronation of His Most Gracious Majesty King George V., and a general holiday has been proclaimed throughout the British Empire upon that day. At a meeting of a number of the citizens held this week it was decided to fittingly celebrate the day by the holding of patriotic and sports festivities, and committees have been appointed to look after the details of the celebration. The city given over to the general commotion suspended for the day, and the city given over to the general commotion of the celebration of this great historical event.

The committee having in charge the arrangements for the celebration may be depended upon to do their duty, but they require the co-operation of the individual citizen. The event is a great one, and nothing should be left undone to make the commemoration such as to impress for all time to come those whose good fortune it is to participate in its ceremonies. The city cannot be over decorated on this occasion. Every business place and residence should be decorated on that day, and it rests with the residents to do their part. See posters and next week's issue for fuller particulars.

MR. BORDEN'S WESTERN TOUR

Ottawa.—All arrangements have been completed for the tour of the Western Provinces—Manitoba, Saskatchewan, and Alberta, which Mr. R. L. Borden, leader of the Conservative party in the House of Commons, will make during the month of June and July. Owing to the fact that parliament will recess in the latter part of July, Mr. Borden's tour must be hurried on, though it will fairly well cover the important points in the three provinces. Throughout the trip Mr. Borden will be accompanied by a number of the leading Conservatives of Canada, including such well known public men as Mr. Andrew Broder, M.P. for Dunsmuir, Ont., Dr. W. J. Roche, M.P. for Marquette, Man., Mr. Arthur Meighen, M.P. for Fortage la Prairie, Man., and Mr. Geo. H. Parley, M.P. for Argenteuil, Que., the Chief Opposition Whip in the House of Commons. The Federal Conservative members in the three provinces will also assist Mr. Borden at the various meetings.

Though only three weeks, can be spared for the tour, Mr. Borden and party will hold public meetings in at least thirty-four towns and villages in the three provinces. Mr. Borden will speak at each meeting and addresses will also be delivered by other members of the party.

Mr. Borden and party will reach Winnipeg on Monday, June 19th, where on the evening of that day he will address a mass meeting. From Winnipeg on his way westward, Mr. Borden will speak at two other public meetings in Manitoba, at Carberry and Brandon. Continuing he will then hold five meetings in the southern portion of Saskatchewan, at Weyburn, Moose Jaw, Indian Head, Regina and Maple Creek. In the southern portion of Alberta a series of eight meetings will be held at Medicine Hat, Macleod, Lethbridge, High River, Calgary, Lacombe, Red Deer and Wetsaskiwin.

On the return trip Mr. Borden and party will address meetings at Edmonton and Vegreville in Alberta; Lloydminster, North Battleford, Hafford, Prince Albert, Rosthern, Saskatoon, Melville and Yorkton in Saskatchewan; and at Blain, Birtle, Minnedoula, Grandview, Dauphin, and Winnipeg in Manitoba, and Somerset in Ontario.

Very keen interest is being taken throughout the West in Mr. Borden's tour in the view of the fact that he will discuss the question of Reciprocity and other public issues of the day of particular import to Western Canadians. There is every indication that very large audiences will greet the great leader at all the meetings.

Important To Ratepayers

Remember the Public Meeting this Friday Evening to consider Publicity Matters and particularly the question of the Council making a Grant of \$3,000 to the Board of Trade. Meeting will be held in the Dreamland Theatre.

The citizens of Wetsaskiwin were shocked on Friday last to learn of the sudden death of James Kelley, who expired of heart failure just after leaving Hladik's gravel pit, where he had been working. He complained of being ill and was being hurried home, but the spark of life had departed from him before home was reached. He was born in the state of Minnesota and came to this district with his parents some seventeen years ago, where he has since resided. He was in his 22nd year, and was a very promising and exemplary young man. The funeral took place on Sunday morning last, service being held in the H. Borden, on the occasion of his visit here on the 28th inst., were discussed and a strong committee was appointed to make the necessary arrangements.

The regular monthly meeting of the W.C.T.U. held June 6th, at the home of Mrs. F. Rook was of an especially interesting nature. Under the leadership of Mrs. M. G. Brown, a number of papers were read. All pointing out the mission that the giving of flowers and the giving of bread is in making bright a place for those who cannot enjoy active life. The request for donations of fruit, flowers and comforts for the hospital and the "Gout box" of the city, was liberally responded to.

The recent rains have had a marked improvement on the crop situation and assured an immediate germination of all cereals, which are now in the ground and which will grow vigorously with the warm sunny days and the numerous showers. He was born in Kinkora, Ont. and came to this district with his parents some fifteen years ago and has lived in the district and city since that time. A police court session presided over by J. Mundy, J.P., was held on Saturday evening last. It was in connection with the breaking of the city jail at Atholstan Bisset's office on Victoria day a football having been kicked through a R. T. Telford, M.P.P., being the complainant. A summons was served on W. H. Miller, of Wetsaskiwin, who appeared to answer in the charge, but it transpired in the course of the proceedings that the wrong man altogether had been apprehended, the evidence going so far as to show who was the person responsible for the damage. There was nothing left but to dismiss the case, each party having to bear his own costs. Messrs. Knox and Odell, of Wetsaskiwin, appeared for complainant and defendant respectively. As an impression seemed to be held, by some that the proceedings were undertaken to get back at Wetsaskiwin, Mr. Telford explained that such was in no way the case, but that he had simply laid a complaint before the court not knowing at the time whether the guilty party belonged to Leduc or Wetsaskiwin.—Leduc Representative.

G. T. P. WILL HAVE FASTEST TRAIN

New Time Cards Just Out. Arrangements For Improved facilities

Time cards of the Canadian Northern and the Grand Trunk Pacific railways announced this morning, show a great improvement over any service that has yet been offered by them to the public.

The Grand Trunk Pacific announce their new service to Edmonton and claim to have the fastest train in Western Canada on this run. The train known as the Limited, will leave Winnipeg at 8:00 p.m., arriving in Edmonton at 8:30 p.m., doing the trip in 24 hours and 30 minutes. The present time is 40 hours and 35 minutes. In all the G.T.P. announce nine new passenger trains for the summer service.

G. T. P. Additions

Several new passenger trains to take care of the rapidly developing business on the line of the Grand Trunk Pacific, are announced to take effect on June 3, 4 and 5. On June 3, the service to Winnipeg River will commence with the operation of the Saturday train at 1:30 p.m., arriving at Minaki (Winnipeg River) 5:15 p.m. On Tuesday and Friday this train will leave at 5:45 p.m. arriving at Minaki 9:55 p.m. On Monday, Wednesday and Saturday, this train will leave Minaki 6:30 a.m. arriving at Winnipeg at 10:20 a.m.

A mixed train will leave Winnipeg Monday, Wednesday and Friday at 7:00 a.m., for all points east of Granham inclusive, returning the following day. A mixed train will also be operated from Granham to Westport (Port William), to connect.

Western Trains

A new train to Saskatoon will leave Winnipeg at 7:45 a.m. on the arrival of the Great Northern train from St. Paul daily, except Sunday, commencing June 5, arriving Yorkton 8:25 p.m., Canora 7:45 p.m., Nokomis 8:27 p.m., Watrous 8:10 p.m., Saskatoon 10:40 p.m.

Returning the local leaves Canora, Saskatchewan, 9:30 a.m., Yorkton 11:30 a.m., Melville 12:30 p.m., arriving Winnipeg 9:45 p.m. daily except Sunday.

The operation of a local train daily between Winnipeg and Saskatoon makes it practicable to shorten up the time of the Daily Limited train from Winnipeg by three hours and one half to Saskatoon and five hours to Edmonton, being an improvement in service in less than a year of 7 1/2 hours to Saskatoon and 10 hours to Edmonton, over any former service.

Daily Limited

The Daily Limited will leave Winnipeg at 8:00 p.m., arrive at Saskatoon 8:30 a.m., and Edmonton 8:30 p.m. Returning train will leave Edmonton 9:00 a.m., Saskatoon at 8:00 p.m., Winnipeg 11:59 a.m.

This train should appeal to the business man as it will effect a saving of practically a full day between Winnipeg and Saskatoon and an equivalent saving to Edmonton from any other service.

This train will be the fastest in Western Canada and will be equipped with new and most luxurious accommodations. Sleeping cars will contain in addition to the usual berth equipment a drawing room and compartment, which may be used en suite or separate. Cars will be electric lighted and each berth, upper and lower, will be equipped with powerful reading lamps of a new and eye comfort design. These cars are of steel frame construction, especially strong and heavy to insure comfortable riding. This with the remarkable smoothness and almost complete absence of grades and curves, will increase the popularity of the Grand Trunk Pacific service.

The electric lighted diners as well as the new sleepers on the Daily Limited are the handiest cars in operation, not alone in western Canada, but in America.

To give an idea of the fitness for service of the diners it may be mentioned that the range is of the hotel type, twelve feet long and the great length of the cars permits place for large kitchen and serving pantry and cold storage compartments.

The high class dining car service will, therefore, be much improved even from that at present furnished on the Grand Trunk Pacific.

Calgary Branch

The first section of the Calgary branch will be placed in operation. Local trains from Edmonton through Gravel and Chinook to Mirror, Alta., will make connections with the Daily Limited to and from Winnipeg, operating Central Alberta to the short, quick route service of the Grand Trunk Pacific.

Daily passenger trains are already in operation between Edmonton and Edmonton, and service beyond Edmonton will be expected to be in operation in the new time card.

HAD HEART TROUBLE
NERVES WERE ALL UNSTRUNG.
Whenever there is any weakness of the
heart or nerves, bringing energy or phys-
ical breakdown, the use of Allin's
Heart and Nerve Tonic soon produces
a healthy, strong system.
Miss Bessie Kinsley, Arks, Ont.,
writes: "I was with great
pleasure I write you stating the benefit
I have received by using your Allin's
Heart and Nerve Tonic. This spring
was all run down and could hardly
do any work. I went to a doctor and
he told me I had heart trouble and that
my nerves were all unstrung. I took his
medicine, but it did me no good. I was
in a printing office at the time, and my
doctor said it was the type setting
caused the trouble, but I thought not.
My father advised me to try your
pills as he had derived so much
benefit from them. Before I had finished
one box I noticed a great difference, and
could work from morning till night with-
out any smothering feeling or hot flashes.
I can recommend them highly to all
nervous and run down people."

City Council
The adjourned meeting of the City
Council was held on Tuesday evening
this week with all present except
Ald. Angus.

The police, market and license com-
mittees recommended the appointment
of J. H. Knowlton, as city weighmas-
ter, vice D. French resigned. It was
moved by Ellis-Chandler - That the
report be adopted. Carried.

A lengthy discussion took place re-
garding extensions to the waterworks
and sewerage system. Several rat-
epayers living some distance from the
main line wish to be connected up, but
if their request is granted the money
they would pay to connect up, they
would be left over with after the in-
terest moved by Ellis-Chandler. That
on the cost of installation. It was
matter to be left over with after the
pending by-laws are submitted to the
ratepayers. Carried.

The finance committee reported to
the council providing for the pay-
ment of the rate of taxation this year
would be as high as last year, they
could not get the rate down to the
level of the amount specified.

Ald. Ellis, chairman of the commit-
tee said that personally he would
like to see the rate down, but as
an alderman he felt that he was not
justified in recommending the payment
Mayor Fowler thought the matter
should be carefully considered before
being shelved. If the people want the
money voted they should have it high-
er than the tax rate would be high.

An one of the best men in the city
the city would have no objections
towards his share if the grant was
made. He suggested that the by-laws
be sent to the council on the 17th day
of May.

Ald. Wagner thought a meeting of
the ratepayers should be held, and
the majority present were in favor of
the council passing the grant, it
should be done.

An Ald. thought that something
should be done. At least some ad-
vertising matter should be prepared.
at the present time there was no
need of doing the kind of thing that
was being done in the city.

And the Mayor said that after the
17th day of July, A.D. 1911, the
said Executor will proceed to dis-
tribute the assets of the said deceased
among the persons entitled there-
to, having regard only to the claims
of which he shall then have had no-
tice, and that the said Executor will
not be liable for the said assets or
any part thereof to any "error of
judgment" or "negligence" on the part
of the said Executor.

evening the rector will preach upon
the reasons for the setting apart of

Trinity, explaining the heresy of A-

proposals. A striking instance of this
fact was the request from Wetaskiwin
to have a road built from Wetaskiwin
to Ponoka, Ontario, this week. This
is a constituency which the Opposition
has been claiming was likely to re-
ject reciprocity. Mr. J. H. Knowlton,
the sitting member, decided to inaugu-
rate an educational campaign to
show the riding, and opened his
meetings with a great gathering of
the young men of Wetaskiwin town-
ship. The meeting was absolutely non-
political in its nature, and called for
the express purpose of discussing the
reciprocity measure as a concrete
proposition from the viewpoint of the
agriculturalist. There was a large
representation of both parties present,
yet there was not a single vote raised
in objection to the reciprocity propo-
sition. Similar reports are coming
from a score of other districts.

In so far as reciprocity is concerned
the battle of Canada seems to have
been decided. The producers of the
proposals, the producers, the agricul-
turalists and the people. From all
parts of Canada the Government
has been deluged with a great massing
and congratulatory letters. The pro-
ducers and artisans in particular re-
joice the immediate and material ad-
vantages a large campaign fund is
being raised. The producers and arti-

Caught a Cold

Which Ended in a
Severe Attack of
Pneumonia.

Too much stress cannot be laid on the fact that when a person catches cold it must be attended to immediately, or serious results are liable to follow.

Bronchitis, Pneumonia and Consumption are all caused by neglecting to cure the simple cold.

Mrs. G. W. Bowman, Pattullo, Ont., writes: "Three years ago I caught a cold which ended in a severe attack of Pneumonia. Since that time at the beginning of each winter I seem to catch cold very easily. I have been so hoarse I was unable to speak loud enough to be heard across the room. Last winter, however, a friend advised me to try Dr. Wood's Norway Pine Syrup, saying it had helped her. I bought a bottle and before it was half used I was completely cured. I also find it a good medicine for the children when they have colds."

Be aware of the many imitations of this de-sense with verities success. For sale by dealers everywhere.

It is put up in a yellow wrapper; three pine trees the trade mark; the price, 25 cents. Manufactured only by The T. M. Wilson Co., Limited, Toronto, Ont.

Whooping cough is not dangerous when the cough is kept loose and expectorated on easy by giving Chamberlain's Cough Remedy. It has been used in many epidemics of this disease with verities success. For sale by dealers everywhere.

SHOOTING ACCIDENT

One of the most serious shooting accidents, which are read of in the newspapers almost every week, happened in this district on Sunday. On Sunday morning Mr. J. A. Sanders, a clerk in Chalmers Bros' hardware store and Mr. Griffiths went to see to the shooting of a deer on a farm about five miles south-east of Lethbridge, and while talking with Mr. Griffiths a rifle in the hands of one of them was accidentally discharged, the bullet entering Mr. Sanders' neck near the jugular vein. Fortunately this vein was not punctured or death would have resulted in a few minutes. Dr. Stapford was speedily summoned, who went out in an auto to dress the wound and give what assistance he could, but was unable to locate the bullet.

Mr. Sanders was brought to town on Monday and on Tuesday morning was taken to the hospital in Wetaskiwin where, by the aid of the X-rays, the bullet was located in the left shoulder. As no trouble is likely to arise from it, it was thought advisable not to attempt to remove it. Mr. Sanders was expected home from Wetaskiwin last night—Selgevic Sentinel.

PRESBYTERIAN NOTES

A very successful linen shower was held at the manse on the afternoon of Monday, 29th ult., under the auspices of the W.M.S. for the benefit of the Vegreville Hospital. The following contributions were received: 9 yds. flannel, 1 yd. cloth, 5 yds. flannel, 2 yds. pillow slips, 12 hand towels, 12 bath towels, 2 pair sheets, 1 table cloth, 2 spoons thread, 10 yds. cotton, and \$5.00 in cash. Refreshments were served and a very pleasant time was spent. The ladies of the same society met at the church on Monday afternoon last to receive contributions of clothing, etc., to forward to the Boys' Home which is under the care of Dr. Arthur at Vegreville. The members of the congregation responded liberally and boxes containing all the contributions of both hospital and home will be made up and forwarded this week.

The sacrament of Baptism is to be administered at the morning service, on Sunday next and the sacrament of the Lord's Supper on the following Sunday.

Sunday, June 25 is to be observed generally throughout the church as Patriotic Day and the morning service on that day will be for the children, there being no Sabbath school in the afternoon.

Red Deer, June 24th—After making a confession in which he fully admitted his guilt in the shooting of George Bell, chief of police at Red Deer, Arthur Francis Kelly, who was arrested the morning after the crime was committed, broke down and cried like a baby, saying that he was "put up to the job by others." He will be taken to Calgary and come up for trial in the supreme court at the November sitting here. Bell is holding his own, and the doctors in charge at the hospital have indicated that he has a good chance of coming through.

The people who have been in any way connected with the case are of the opinion that Kelly is not a criminal, but that he committed the attempted murder unwittingly or not knowing that he was killing Bell. He indicated that he was under the influence of others when he fired the shot that so nearly snuffed out the life of one of Red Deer's most popular citizens. After making the confession he sent a note to Bell asking forgiveness for the injury he had committed.

The scene in the room when Kelly was making the confession was one that moved many strong-hearted of friends and citizens to tears. Kelly sobbed brokenly when he admitted the deed, and sorrow marked every feature of his face and expressed a desire that the wife of the injured man would convey his request for forgiveness to her.

The uniform success that has attended the use of Chantrelain's Colic, Cholera and Diarrhoea Remedy has made it favorite everywhere. It can be had by all dealers.

Was So Bad With Heart and Nerves Could Not Sleep At Night.

Many men and women (see right) after night upon a sleepless bed. Some constitutional disturbance, worry or disease has so debilitated and irritated the heart and nervous system that they cannot enjoy the refreshing sleep which comes to those whose heart and nerves are right.

Mrs. John Gray, Linn Lake, Ont., writes: "Last summer I was so laid with my heart and nerves that I could sleep at night. There was such a pain and heavy feeling in my chest that I could not sleep. And at times I would become dizzy and have to grasp something to keep from falling. I tried different things but never got anything to do me any good until I tried Milburn's Heart and Nerve Pills and I can now recommend them to all troubled as I was."

Milburn's Heart and Nerve Pills are 50 cents per box, or three boxes for \$1.25, at all dealers, or mailed direct by The T. M. Wilson Co., Limited, Toronto, Ont.

UNRESEVED

CA. N IS BELIEVED TO

Camrose, June 13.—No one in Camrose ever expects to see Mike Haugen again alive. On Sunday afternoon he and Bob Much went for an outing to Bird's Nest Lake. Shortly after lunch Much took a nap and Haugen went out on the lake alone in a row boat. When Much awoke an hour or so later he found the boat empty and Haugen had disappeared. A large force from Camrose searched in vain all day Monday for the body. There is a story to the effect that Haugen boarded a passing motor launch, but this is not credited. The unfortunate man was formerly a blacksmith and was well known in Camrose, where he leaves a large family of children. He was formerly employed in Wetaskiwin.
